Our Waste Crisis and the Circular Economy

Jo-Anne St. Godard,
Executive Director of the Circular
Innovation Council of Ontario

Jo-Anne St. Godard is our key note speaker on the topic of Circular Economy. She was invited to speak at COP27 in Egypt, November 2022 where nearly 200 countries came together to coordinate global climate action for next year.

Jo-Anne will explain how the concept of a Circular Economy introduces the positive ways many products can be shared, repaired or returned to their natural state.
